A joint initial conference call for these cases took place on April 18, 2016. The parties were represented by their respective counsel.

Administrative Patent Judges Giannetti, Quinn, and Bunting participated.

The following matters were discussed:

1. Schedule

Patent Owner's counsel advised the Board of a possible conflict with the December 5, 2016, trial date in the district court proceeding with LG and requested that the final hearing date be delayed by a week. Petitioner's counsel asked for an opportunity to respond. The request was denied as premature in view of the stay motion pending in that case. Depending on the outcome of the stay motion, the Board may revisit the matter at a later time.

2. Motions

Patent Owner does not intend to file a motion to amend. No other motions were authorized.

3. Protective Order

A protective order has been entered. The parties will contact the Board to request modification, if necessary.

4. Compelled Testimony

The parties do not foresee the need for compelled testimony. Should such testimony be desired the parties are required to request authorization well in advance.

5. Settlement

The parties had nothing to report.
