1 V. THOMAS RHYNE, PhD,
2 having been first duly sworn, testified as follows:

3 EXAMINATION

4 QUESTIONS BY MR. HELGE:

5 Q. Good morning, Dr. Rhyne.

6 A. Good morning, Mr. Helge.

7 Q. You have been deposed a number of times
8 before, correct?

9 A. Yes.

10 Q. And you were deposed yesterday in another IPR
11 matter, correct?

12 A. Yes.

13 Q. Were you provided with a list of standard
14 deposition rules yesterday?

15 A. No.

16 Q. Okay. Do you need me to go over standard
17 deposition rules for -- for example, that we need to
18 have an oral response to the questions, head nodding is
19 not enough because of the record here?

20 A. I think you don't need to provide me with the
21 rules.

22 Q. Okay. You understand those rules pretty well?

23 A. Well, if I fail to follow them, just point it
24 out to me, or the court reporter may.

25 Q. Understood. Understood. Is there any reason

1 why you cannot give true and accurate testimony today?

2 A. No.

3 Q. Dr. Rhyne, could you please just for the
4 record confirm your full name.

5 A. It's Vernon Thomas Rhyne III.

6 Q. Dr. Rhyne, you're registered as a patent
7 agent, correct?

8 A. Yes.

9 Q. Dr. Rhyne, have you given many depositions in
10 the context of an inter partes review?

11 A. I believe yesterday was my first --

12 Q. Okay.

13 A. -- in terms of a deposition.

14 Q. Understood. Understood. Are you aware that
15 there is an office patent trial practice guide that
16 spells out some guidelines that may be a little
17 different from litigation depositions?

18 A. No.

19 Q. Okay. I appreciate that. Let me go ahead and
20 give you -- what I'm going to do is actually read into
21 the record one of the -- one of the sets of guidelines
22 that are specific to inter partes review. And after I
23 read this we can talk about it and make sure that you
24 understand what is required here. Well, first of all,
25 you understand that this is a cross examination

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
