User's manual

First edition (October 2000)
This manual is published by
**Ericsson Mobile
Communications AB**,
without any warranty.

Improvements and changes to
this manual necessitated by
typographical errors, or
inaccuracies of current
information, or improvements
to programs and/or equipment,
may be made by **Ericsson
Mobile Communications AB**
at any time and without notice.
Such changes will, however, be
incorporated into new editions
of this manual.

Note: *Some of the services in
this manual are not supported by
all networks. This also applies to
the GSM International
Emergency Number 112. Please
contact your network operator or
service provider if you are in
doubt whether you can use a
particular service or not.*

European Union Standards

The **CE** symbol on our products
signifies that they have been
certified according to the EMC
directive 89/336/EEC, the
Telecommunications directive
91/263/EEC, and the Low
voltage directive 73/23/EEC
when applicable. The products
fulfil the requirements
according to the following
standards:

Cellular Phones and Accessories in Combination:

ETS 300 342-1 EMC for
European digital cellular
telecommunications.

Accessories Without Direct Connection to a Cellular Phone:

- EN 50081 Electromagnetic
compatibility, Generic
Emission Standard,
- EN 50082 Electromagnetic
compatibility, Generic
Immunity Standard.

General Information

Congratulations and thank you for buying the Ericsson R380 Smartphone, the ultimate mobile phone and personal digital assistant. This is an advanced, yet easy to use, product with a wide range of features, designed to make everyday life much easier.

Your R380 gives you the freedom to communicate wherever you are and whenever you want. Along with a host of mobile phone functions, your R380 can send and receive e-mail and SMS messages, browse the Internet via a WAP services browser and much, much more.

The advanced software in your R380 introduces a new era in mobile communications. Welcome to our wireless world!

Phone Information

Operators and Subscription

To be able to use your phone, you need to have a subscription to a network. This is obtained from the network operator.

The services included in your subscription depend on your choice of operator and/ or subscription. Therefore, some of the services and functions described in this manual may not be accessible to you. If you want a complete list of the services included in your subscription, please contact your network operator.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
