To the BG-12 MS CDT:

The BG-12 MS IND is no longer on clinical hold!!! Thank you all for your hard work in turning around the response so quickly.

Regards,
Cara

BG12 MS IND

Hello everyone:

We were notified today by FDA that the clinical hold has been lifted! We are now free to begin the QTc study.

Thank you to all of you who worked so hard to make the submission quickly.

Sincerely
Tammy
