Subject: BG00012 EU briefing document for VP review

Dear all,

We will seek advice on BG00012 CDP from 4 EU Agencies (UK, Sweden, NL, and Spain) in June. As part of the scientific Advice procedure, we have prepared a briefing document, which is provided below for your review.

I would be grateful if you could provide me with your comments by Friday 12 May. Your review of this briefing document would occur in parallel with the CTRB for BG00012 Phase 3 studies.

With thanks and kind regards,
