1 public record of these proceedings. So be careful not to discuss
2 any confidential information.

3 One additional item before we start. We did receive a
4 communication from Patent Owner indicating that its expert and
5 one of the inventors are in attendance; however, there has been no
6 motion for live testimony, and the Panel does not anticipate
7 asking questions of anyone except counsel.

8 Before we begin, let's have each -- counsel for each
9 party identify themselves and the party they represent for the
10 record.

11 Petitioner?

12 MR. BAUGHMAN: Thanks, Your Honor. It's Steve
13 Baughman from Ropes & Gray, with my colleagues Andrew
14 Thomases and James Davis, on behalf of Petitioners Activision
15 Blizzard, Electronic Arts, Take-Two Interactive, 2K Sports, and
16 Rockstar Games. And we have counsel for Bungie, Andrew
17 Brown, here as well, and we have a representative from
18 Petitioner, Take-Two Interactive, Linda Zabriskie. Thank you.

19 JUDGE PETTIGREW: Thank you.

20 Patent Owner?

21 MR. HANNAH: Good morning, Your Honor. James
22 Hannah from Kramer Levin representing Acceleration Bay, and

Case IPR2015-01964, IPR2015-01996 (Patent 6,829,634 B1)
Case IPR2015-01970, IPR2015-01972 (Patent 6,701,344 B1)

1 JUDGE PETTIGREW: Thank you.

2 Petitioner, you may begin when ready.

3 MR. BAUGHMAN: Thank you, Your Honor.

4 Good morning, Your Honors. May it please the Board.
5 We would like to reserve at the outset 45 minutes of our time for

9 briefing to support our arguments in the six trials and in the six

11 and '634 patents at issue here are all anticipated or obvious in
12 view of the prior art and the permutations we have laid out here

14 Turning to our slide 2, as Your Honors can see, we do
15 have a number of demonstratives available in case particular
16 topics arise, along with a table of abbreviations and a table of
17 contents showing where the evidence comes from, but we don't
18 plan to address them all unless there are particular questions.

19 Instead, to assist the Board in considering the record,
20 we had planned an opening discussion here of three topics, along
21 with any questions, of course, that the Board may have.

22 So first this morning I will briefly address several claim
