- accurately in English even though it's not your native 2
- language?
- 4 A. I think in general, yes.
- 5 Q. Okay. If I ask a question that's not clear to
- you either because you don't recognize the words or
- just because I'm a lawyer and we talk in words that
- people don't understand most of the time, I'd ask that
- you please let me know and ask me for clarification.
- 10 A. Will do. Thank you.
- 11 Q. Can I have your full name, please.
- 12 A. My name is Eveline Wesby-van Swaay.
- 13 Q. And what's your current address?
- 14 A. I live at Camden House in School Lane in
- Tiddington, Stratford-upon-Avon, which is in the United
- Kingdom. 16
- 17 Q. And where were you born?
- 18 A. I was in born in The Hague in the Netherlands.
- **19** Q. And how long did you live in The Hague?
- 20 A. That's a good question. It's probably around a
- few months only as a small baby, and I relocated there
- after I finished my medical degree for my first job.
- 23 O. And after you left The Hague, where did you go?
- 24 A. To Delft, which is just ten kilometers south
- from The Hague.

- **WESBY-VAN SWAAY**
- 2 A. I did.
- 3 Q. What was that degree in?
- 4 A. That's the general degree in medicine, surgery
- and obstetrics as it's called there.
- Q. And did you -- did you have additional training
- after you completed that university degree?
- A. I did. 8
- **9** Q. Where did you conduct that training?
- A. So my first post for training was done back in
- Hague in a specialized children's hospital which is
- called the Juliana Kinderziekenhuis, which is the
- Juliana, Queen Juliana, Children's Hospital based in
- Hague.
- 15 Q. And after you completed your training at that
- university -- at that hospital, where did you go?
- 17 A. Actually, as part of that training, I spent some
- time in Leiden University and some time in Rotterdam,
- the kind of sister children's hospital. And after 19
- completion of the pediatrics training, I joined the 20
- clinical genetics training in Rotterdam. 21
- Q. And what year did you finish your pediatrics 22
- 23 training?
- 24 A. I finished that in 1985.

**WESBY-VAN SWAAY** 

25 Q. And I believe you mentioned that you then went

- on to additional training in genetics; is that correct?
- A. Correct.
- 4 Q. At Rotterdam. How long were you in -- how long
- were you -- how long did this training take at
- Rotterdam?
- A. That training took four years, which is the
- standard for that.
- 9 Q. And after you completed the training in
- Rotterdam, did you take a job?
- A. Yeah. I took a job at same institute in
- clinical genetics and I stayed from then on as a
- consultant.
- 14 Q. And how long were you employed by that -- at
- Rotterdam?
- 16 A. I was there employed until the end of 1996.
- 17 Q. And in 1996 did you take another job?
- 18 A. At first I didn't. This was the time that we
- relocated with family to Finland. So the next job was
- 20 a few months later in Finland.
- 21 Q. And where was your next job you mentioned in Finland?
- 23 A. It was at the Helsinki University Hospital,
- department of genetics.
- 25 Q. And how long were you at the Helsinki hos --

#### WESBY-VAN SWAAY

- **2** Q. And how long did you live there?
- 3 A. I lived there about '87 to '97, ten years.
- 4 Q. Did you attend an undergraduate institution,
- college or university?
- 6 A. "Undergraduate" you mean the medical school?
- 7 Q. Before medical school, did you --
- 8 A. Before medical school?
- 9 Q. Yes.
- 10 A. The Dutch system is that after primary school,
- vou can choose to attend a grammar school which takes
- you all the way up to be ready to go to university if
- you have the grades.
- 14 Q. And did you attend university after grammar
- school?
- 16 A. I did.
- 17 Q. Where did you attend university?
- 18 A. I attended this in Ghent, which is in Belgium.
- 19 Q. And did you receive a degree from that -- what
- was it? I'm sorry, what was the name of the university
- in Ghent that you attended?
- 22 A. The name in Flemish is Rijksuniversiteit Gent,
- which translates to State University Ghent, Belgium.
- 24 Q. And did you receive a degree from that
