BLITZSAFE TEXAS, LLC

IPR2016-00118
Patent 8,155,342

NOTICE OF ERROR IN PATENT OWNER PRELIMINARY RESPONSE

It has come to Patent Owner's attention that Patent Owner's Preliminary Response (Paper No. 11) contains four errors. In particular, on pages 44, 47, 49, and 53, the Preliminary Response states:

“Petitioner does disclose the limitations of [claim #] that are missing from the base references as required by *Graham*.”

Patent Owner inadvertently omitted the word “not” from these sentences. The Preliminary Response should state the following at each of these locations:

- Last three lines at the bottom of page 44:
“First, Petitioner does not disclose the limitations of Claims 7 through 10 that are missing from the base references as required by *Graham*.”
- Lines one through three on page 47:
“First, Petitioner does not disclose the limitations of Claim 11 that are missing from the base references as required by *Graham*.”
- Lines five through seven on page 49:
“Petitioner does not disclose the limitations of the claims that are missing from the base references as required by *Graham*.”
- Lines eight through ten on page 53:
“First, Petitioner does not disclose the limitations of Claim 22 that are missing from the base references as required by *Graham*.”

Patent Owner notified Petitioner and the Board of these errors, and the Board conducted a conference call where authorization was granted to file this notice. Petitioner indicated that it does not oppose the filing of this notice.

Respectfully submitted,
