

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

PALO ALTO NETWORKS, INC.,
Petitioner

v.

FINJAN, INC.,
Patent Owner

Patent No. 8,141,154

Inter Partes Review No. IPR2016-00151

PETITIONER'S REQUEST FOR ORAL ARGUMENT

Pursuant to 37 C.F.R. § 42.70(a), Petitioner submits this Request for Oral Argument on all the instituted grounds of unpatentability for U.S. Patent No. 8,141,154 (*see* Decision (Paper 10) at 17), which encompass claims 1-8, 10 and 11. These grounds are further discussed in Petitioner's Petition and Reply, the Patent Owner's Response, and all exhibits thereto, including declarations and depositions.

Petitioner will address the following issues: obviousness of the instituted '154 patent claims in view of the Ross reference, whether Patent Owner has sufficiently demonstrated that the '154 patent antedates Ross, and the applicability of 35 U.S.C. §315(e)(1) to these proceedings. Petitioner will also address any issues raised by any motions to exclude and any other issues of interest to the Board.

The Board has already scheduled Oral Argument for January 24, 2017. (Scheduling Order (Paper 11) at 6).

Petitioner authorizes the Board or the Commissioner to charge the cost of any fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing Docket No. 719712801200.

Respectfully submitted,

Dated: December 22, 2016
