

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

PALO ALTO NETWORKS, INC.,
Petitioner,

v.

FINJAN, INC.,
Patent Owner.

Case IPR2016-00157
Patent No. 8,225,408

PETITIONER'S NOTICE AND SUBMISSION OF CORRECTIONS

Responsive to the Board's Notice of Filing Date Accorded to Petition (Paper No. 3 at 2) and Trial paralegal Alexander Levy's guidance, Petitioner Palo Alto Networks, Inc. has authorized the Board to charge the additional \$400 fee for Post-Institution review of claims 1 and 9 to Deposit Account **03-1952** in an email sent to trials@uspto.gov on November 19, 2015. If necessary, Petitioner also provides that same authorization in this document as well. As discussed in a call to paralegal Alexander Levy on November 17, 2015, the payment of this fee is all that is needed to correct this issue stated in the Board's Notice of Filing Date Accorded to Petition.

Petitioner also herein submits corrected Exhibit 1002 and a corrected petition Exhibit List. Exhibit 1002 has been labeled with Petitioner's name and exhibit number. The misspelled titles on the petition exhibit list have been corrected. In addition to the changes requested by the Board, Petitioner has further noted and corrected some additional minor clerical errors in the dates and page numbers listed in the petition exhibit list. No substantive changes have been made. Petitioner respectfully submits that all defects identified by the Board have been corrected.
