Re: Project No. 069-1397 - Kohn et al.
Amino Acid Anticonvulsants

Gentlemen:

Reference is made to our License Agreement dated June 21, 1989, under which Eli Lilly and Company has been developing an anticonvulsant agent LY274959. Recent studies with the agent have resulted in Lilly's decision to discontinue developing LY274959. Accordingly, Lilly hereby terminates the License Agreement pursuant to Section 6(c).

Please acknowledge this notice of termination by signing both copies of this letter and returning one to Mr. Charles W. Ashbrook at Eli Lilly and Company, Lilly Corporate Center, Indianapolis, Indiana 46285.

Very truly yours,
