Dr. Robert H. Harris
President
Federal Research Consultants
139 Rte 35
Holmdel, NJ 07733

Dear Dr. Harris:

Thank you for providing the information on ADD 234037. While it seems like a very interesting compound we have made the decision that it is in too early a stage of development for Forest Laboratories.

I am enclosing the Investigator's Brochure that you set us.

Sincerely,

Mary Prehn
