Dear Mr. Harris,

First of all, we would like to thank you for your fax dated 13th October concerning the information you sent us about the compound AD 234037.

We would like to inform you that we received the material and we have now completed our analysis.

Unfortunately, it has been concluded that at this time the product does not fit into our current strategy.

However, we will keep this information in our files for possible collaborations in the near future.

Needless to say, we remain at your entire disposal for further requirements you may need.

J. URIACH & CIA S.A.
Yours sincerely

A. Alís
International Division Dir.
