Petitioners

v.

PAICE LLC &
ABELL FOUNDATION, INC.
Patent Owners

Case: IPR2016-00248
U.S. Patent No. 7,237,634

**JOINT MOTION TO TERMINATE PROCEEDING
PURSUANT TO 35 U.S.C. § 317 AND 37 C.F.R. § 42.74**

Pursuant to 35 U.S.C. § 317(a), Petitioners and Patent Owners jointly request termination of *inter partes* review (IPR) no. IPR2016-00248, which is directed to U.S. Patent No. 7,237,634. The parties are also separately filing motions to terminate IPR2016-00246, 00247, 00249 and 00251, which are also directed to U.S. Patent No. 7,237,634, as well as IPR2016-00272 and 00250, which are directed to U.S. Patent Nos. 7,104,347 and 8,214,097, respectively.¹

Termination of this proceeding is appropriate as the parties have settled their dispute and have reached an agreement to terminate all of the above-identified *inter partes* review proceedings. The parties have entered into a written Settlement Agreement, a true copy of which has been submitted as Exhibit No. 1495. The parties desire and jointly request that this Settlement Agreement be treated as confidential business information and that it be kept separate from the files of the challenged patents and the above-identified IPRs in accordance with 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c). The parties are separately filing joint requests to this effect.

¹ The petitions for all of the identified proceedings were accompanied by joinder motions. The parties respectfully request that the Board dismiss these joinder motions as moot.

The applicable statute, 35 U.S.C. § 317(a), provides that an *inter partes* review proceeding “shall be terminated with respect to any petitioner upon the joint request of the petitioner and the patent owner, unless the Office has decided the merits of the proceeding before the request for termination is filed.” In this case, the Board has not yet rendered decisions regarding whether trial will be instituted. Thus, the Board has not yet reached any decision on the merits of the proceeding. Termination at this early juncture promotes efficiency, conserves Board resources and minimizes unnecessary costs.

On December 14, 2015, the parties advised the Board that they have reached a settlement, and sought authorization to file a joint motion to terminate the proceeding. The Board authorized the filing of a joint motion to terminate this proceeding on December 15, 2015. Per the Board’s December 15, 2015 email, the parties understood that they were also to file separate papers requesting that the Settlement Agreement be treated as business confidential information as specified in 37 C.F.R. § 42.74(c) and that the Settlement Agreement was to be filed in PRPS under the designation of “Parties and Board Only.”

In view of the foregoing, the parties jointly and respectfully request that the instant proceeding be terminated and that motion for joinder with IPR2015-00791 be dismissed as moot.

Date: December 22, 2015

Respectfully submitted,

By: /Joseph J. Richetti, Reg. No. 47024/

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
