## JUDGMENT

### Termination of the Proceeding

#### 37 C.F.R. § 42.73

On December 14, 2015, the parties informed the Board that the parties had settled the above-identified proceedings and that the parties sought authorization to file a joint motion to terminate each proceeding. On December 22, 2015, and pursuant to 35 U.S.C. § 317 and 37 C.F.R. § 42.74, the parties filed a joint motion to terminate each of the above-identified proceedings. Paper 11.<sup>2</sup> The parties also filed, in each proceeding, a joint request to have their settlement agreement treated as confidential business information under 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c). Paper 12. In each joint motion, the parties represent that the settlement agreement filed is a true copy and resolves all disputes between the parties.

Each of these proceedings is in an early stage and no decision whether to institute *inter partes* review has been made. Based on the facts of these cases, it is appropriate to terminate the proceedings. Therefore, the joint motions to terminate the proceedings are *granted*.

Accordingly, it is

ORDERED that the joint motions to terminate the proceedings are *granted*;

FURTHER ORDERED that the parties' joint requests that the settlement agreements be treated as business confidential information, to be kept separate from the patent file are *granted*; and

FURTHER ORDERED that Petitioner's Motions for Joinder filed in each of the proceedings are *dismissed*.
