DETAILED ACTION

Drawings

1. The proposed drawings mailed on October 4, 2001 are approved by Examiner. However, applicant should submit formal replacement sheets with labeled as such in the header according to 37 CFR 1.121(d) and formal drawings for the figures. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The replacement drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for replacement drawings will not be held in abeyance.

3. Authorization for this examiner's amendment was given in a telephone interview with Paul E. Rauch on April 15, 2004.

The application has been amended as follows:

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
