P R O C E E D I N G S

(1:30 p.m.)

JUDGE PETRAVICK: Good afternoon. We are here in the matters of IPR2016-00292 and IPR2016-00366. I want to start by having a couple reminders, that since we have a remote judge joining us today, that you must stand behind the podium and speak into the microphone when you present. And.

If you are going to show us slides, Judge Plenzler may not be able to see the slides, so you need to refer to the slides by number.

So we will start with appearances. I understand we have two Petitioners today. If you would both stand and introduce yourself.

MR. MANDIR: Good afternoon, Your Honors. William Mandir on behalf of Petitioner Aisin Seiki. With me from our firm is Dave Emery.

We also have a corporate representative from Aisin Seiki, Mr. Nobou.

JUDGE PLENZLER: Sorry, I have to jump in real quick here. When you speak, could you please approach the podium? Otherwise I can't hear what you guys are saying.

1 Thanks.

2 MR. MANDIR: Sorry, Your Honor. William
3 Mandir from Sughrue Mion in Washington, D.C. on behalf of
4 the Petitioner, Aisin Seiki. With me today is Mr. Emery from
5 our firm. And also we have a corporate representative, Nobou,
6 from Aisin Seiki.

7 MR. CHAPMAN: Good afternoon. I'm Mark
8 Chapman, counsel for Toyota. With me is George Badenoch
9 from our firm. And we also have some representatives from
10 Toyota.

11 JUDGE PETRAVICK: All right. And I understand
12 Petitioners are going to split the time today. Are you splitting
13 15 minutes each, roughly?

14 MR. MANDIR: Probably not exactly a split like
15 that-s.

16 JUDGE PETRAVICK: You will be presenting first
17 and then Mr. Chapman?

18 MR. MANDIR: That's correct, Your Honor.

19 JUDGE PETRAVICK: Thank you. And from the
20 Patent Owner?

21 MR. FAHMI: Good afternoon, Your Honors. My
22 name is Tarek Fahmi and I'm here representing the Patent

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
