**PETITIONER ARISTA NETWORKS, INC.'S UNOPPOSED MOTION  
FOR *PRO HAC VICE* ADMISSION UNDER 37 C.F.R. § 42.10(c)**

Pursuant to 37 C.F.R. § 42.10(c), the Petitioner (“Arista Networks, Inc.” or “Arista”) respectfully requests that the Board recognize Paul Ehrlich as counsel *pro hac vice* in this proceeding. Petitioner seeks the counsel of Mr. Ehrlich due to his experience in representing clients in patent cases in major patent venues across the country, including U.S. district courts and the ITC, and would like Mr. Ehrlich to participate in the trial of this IPR proceeding. Mr. Ehrlich’s litigation experience spans a wide variety of technologies. This motion is authorized by the Notice of Filing Date Accorded to Petition and Time for Filing Patent Owner Preliminary Response that was mailed on December 15, 2015.

Patent Owner had indicated that it will not oppose this motion.

### **Statement of Facts**

Mr. Ehrlich is a patent litigation attorney with 13 years of experience representing clients in cases involving computer hardware and software; operating systems and databases; networking; semiconductor devices, processing, and packaging; mobile phones and other consumer electronics; mobile commerce; medical devices; Wi-Fi and location services. Mr. Ehrlich regularly litigates patent cases before the United States Court of Appeals for the Federal Circuit, various federal district courts, and the International Trade Commission. Through his

practice in such cases, Mr. Ehrlich has gained substantial experience in jury trials, bench trials, discovery, Markman hearings, and appeals. Arista provides Exhibit A, as evidence, Mr. Ehrlich's biography.

Mr. Ehrlich also has particular experience and familiarity with the substantive and technical issues involved in this *inter partes* review proceeding. Mr. Ehrlich has been advising Arista in connection with the concurrent ITC Investigation No. 337-TA-945, instituted on January 20, 2015, in which U.S. Patent No. 7,224,668 has been asserted. He also has reviewed and considered the Petition and supporting exhibits filed by Arista, Patent Owner's Preliminary Response, the Institution Decision, the public version of Patent Owner's Response and supporting public exhibits, U.S. Patent No. 7,224,668, and other material related to these proceedings. Should the present motion be granted, Arista intends for Mr. Ehrlich to participate in the trial of this IPR proceeding.

**Affidavit of Individual Seeking to Appear**

This Motion for *Pro Hac Vice* Admission is accompanied by an Affidavit of Paul Ehrlich, as required by the Order Authorizing Motion for *Pro Hac Vice* mailed December 15, 2015.

Accordingly, Arista submits that there is good cause under 37 C.F.R. § 42.10(c) for the Board to recognize Paul Ehrlich as counsel *pro hac vice* during

Proceeding No.: IPR2016-00309  
Attorney Docket: 40963-0006IP3

this proceeding.

Respectfully submitted,

Date: 1/31/17

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
