Patent Trial and Appeal Board
U.S. Patent & Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Pursuant to the Board's Order of February 2, 2017 (Paper 36), the parties served objections on each other five business days prior to Oral Argument, and subsequently met and conferred in a good-faith attempt to resolve their differences. These objections "identify with particularity which portions of the demonstratives are subject to objection, and include a short (one sentence or less) statement of the reason for each objection" as required by the Board. (Paper 36).

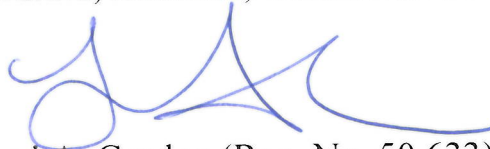

Objections to Slide 16, 17, 18, 71, and 75:

Patent Owner objects to these slides because each slide incorporates arguments from the Petitioner's Reply that were outside the scope permitted for a Petitioner's Reply as set forth in Patent Owner's Motion to Strike (Paper 42).

These objections are made within two business days of the March 7, 2017 oral hearing as required by the Board's Order. (Paper 36.) Patent Owner does not acquiesce that any material not objected to is properly before the Board.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
