The Intellectual Property Code, under the terms of Article L.122-5, authorizes on the one hand no "copies or reproductions apart from those strictly reserved for private use by the copyist and not intended for collective use" and, on the other hand, "provided that the name of the author and the source, the analyses and short citations supported by the critical, polemic, pedagogic, scientific or informative nature of the work in which they are incorporated are clearly indicated," full or partial reproduction made without the consent of the author or his/her successors in title or assignees is illegal, as well as any translation, adaptation or transformation, arrangement or reproduction by any method whatsoever (Article L.122-4). Such unauthorized reproduction shall constitute an infringement sanctioned by Articles L.335 et seq. of the Intellectual Property Code.

This prohibition covers in particular the use and exploitation of the work or texts of which it is comprised by any method such as entry, manipulation and storage in a data bank, reproduction or transmission by any means or forms whatsoever, such as electronic, mechanical, photographic, photocomposition, cinematographic, magnetic, computerized, telematic, via satellite, as well as by any other means existing or to be created.

The insertion of extracts in a work or in a training document is forbidden.

The use of the mark VIDAL® is forbidden except when it is associated with a quote from the work, all rights being reserved for all countries.

MAGNESIUM

Chloro-magnesium oral solution
Delbiase tablet
Efimag powder for oral solution
Ionimag effervescent table
Mag 2 powder for oral solution, oral solution
Magné B6 coated tablet, oral solution
Magnesium Glycocolle Lafarge coated tablet
Magnespasmyl coated tablet, granulate
Magnogene gel capsule, oral solution
Magnosol effervescent granulate (CC)
Megamag gel capsule
Oromag tablet to suck
Pidolate of magnesium-ratiopharm powder for oral solution, oral solution
Solumag oral solution
Spasmag gel capsule, oral solution
Top Mag powder for oral solution
Uvimag B6 oral solution

PHOSPHORUS

Phosphoneuros oral solution
Phosphore-Sandoz effervescent tablet

POTASSIUM

Liquid forms

Potassium Gluconate H3 Santé syrup
Potassium Richard syrup

Intestinal sustained-release dry forms

Diffu-K capsule
Kaleorid Leo sustained-release, sustained-release coated tablet

Intestinal fast-release dry form

Nati-K coated tablet

ZINC

Zymizinc oral solution

VITAMINS

VITAMIN A

A 313 capsules
Arovit Roche coated tablet
Avibon capsules

GROUP B VITAMINS

Vitamin B1 or thiamine

Benerva coated tablet, solution for intramuscular injection

Bevitine coated tablet, solution for intramuscular injection

Vitamin B2 or riboflavin

Beflavin coated tablet

Vitamin B5 or dexpanthenol

Bepanthere tablet, intramuscular & intravenous solution for injection

Vitamin B6 or pyridoxine

Becilan bisected tablet, intramuscular & intravenous solution for injection

Pyridoxine Aguettant, intramuscular & intravenous solution for injection

Vitamin B6 Richard scored tablet

Vitamin B9 or folic acid

Speciafoldine tablet

Folinic acid

Elvorine powder for solution for intramuscular & intravenous injection

Aguettant calcium folinate powder for solution for injection, solution for intramuscular & intravenous injection

Dakota Pharm calcium folinate powder for solution for injection, solution for intramuscular & intravenous injection

Roger Bellon calcium folinate solution for intramuscular & intravenous injection

Lederfoline powder and solvent for solution for intramuscular & intravenous injection, solution for intramuscular & intravenous injection

Perfolate powder for solution for intramuscular & intravenous injection

Vitamin B12

and Vitamin B12 derivatives

- Hydroxocobalamin

Dodecavit solution for intramuscular injection

- Cyanocobalamin

Delagrang Vitamin B12 (CC)

Vitamin B12 Delagrang oral and intramuscular injection solution (CC)

Vitamin B12 Gerda tablet

- Hydroxocobalamin + cobamamide

Vibalgan powder and solvent for solution for injection

Vitamins related to B-Group Vitamins

- Vitamin H or biotin

Biotin Roche tablet, solution for subcutaneous, intramuscular & intravenous injection

- Vitamin PP or nicotinamide

Nicobion coated tablet

B vitamin complexes

B Chabre coated tablet

Becozyme solution for intramuscular & intravenous injection, and for intravenous perfusion

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
