REVISED TRIAL ORDER

¹ We exercise our discretion to issue one order to be filed in all fourteen of these cases. The parties are not authorized to use this style heading for subsequent papers without Board preapproval.

On March 7, 2017, we entered an Order scheduling a consolidated oral argument for IPR2016-00386, IPR2016-00387, IPR2016-00388, IPR2016-00389, IPR2016-00390, IPR2016-00391, IPR2016-00393, IPR2016-00394, IPR2016-00395, IPR2016-00687, IPR2016-00691, IPR2016-00708, IPR2016-00770, and IPR2016-00786, to take place on April 5, 2017. *See* IPR2016-00386, Paper 27. Each party was allotted three (3) hours to present arguments. *Id.*

In a March 14, 2017 email communication to the Board, the parties made two additional requests. Petitioner requests the use of Hearing Room A instead of Hearing Room B to accommodate the number of expected persons attending for Petitioners in the fourteen (14) consolidated cases. Patent Owner requests that the hearing take place over three days from April 5–7th.

First, we note that these requests were not made in the parties' original requests for oral argument. *See* IPR2016-00386, Papers 63, 64. Second, as discussed in our Revised Scheduling Order, we set aside April 5–7 as possible hearing dates for scheduling purposes only. *See* IPR2016-00386, Paper 27.

Nonetheless, in consideration of the parties' efforts to consolidate these cases, and the issues the parties have raised in their March 14th communication, we will allow each side six (6) hours total argument time
