Ira --

Attached is a final draft of the CIP patent application on the Multimedia Device Integration System, which incorporates the revisions that we discussed. Also attached is a Declaration and Power of Attorney and a revised set of drawings. Please carefully review the application, and if any changes are necessary, please initial and date each change on the application. If the changes are substantial, please contact me. Also, please sign and date the Declaration and Power of Attorney, and provide the residence and citizenship information indicated on the form.

Please return the application and the executed Declaration and Power of Attorney to us along with a check in the amount of \$1,675.00 payable to the Commissioner for Patents to cover the cost of the filing fees.

Best regards.
