MICROSOFT CORPORATION,  
*Petitioner*

v.

BRADIUM TECHNOLOGIES LLC,  
*Patent Owner*

Case IPR2016-00449  
Patent 8,924,506 B2

PATENT OWNER'S UNOPPOSED MOTION TO SEAL  
PURSUANT TO 37 C.F.R. § 42.14

Pursuant to 37 C.F.R. §§ 42.14 and 42.54 Patent Owner Bradium Technologies LLC (“Patent Owner”) respectfully requests that the Board enter the proposed Protective Order (Exhibit A) and seal Exhibits 2022 and 2029 and the portions of Patent Owner’s Response and the Declaration of Mr. Isaac Levanon (Exhibit 2004) that contain material derived from Exhibits 2022 and 2029. The Parties have conferred regarding this motion and Petitioner Microsoft Corporation does not oppose the Motion.

**I. PROPOSED PROTECTIVE ORDER**

The parties have conferred and agreed to the proposed Protective Order, which is the Default Standing Protective Order, a signed copy of which has been filed as Exhibit A of this Motion to Seal pursuant to the Scheduling Order Section A.2. (See Paper 10 at p.2.)

**II. PATENT OWNER’S MOTION TO SEAL**

The Office Patent Trial Practice Guide provides that “the rules aim to strike a balance between the public’s interest in maintaining a complete and understandable file history and the parties’ interest in protecting truly sensitive information.” 77 Fed. Reg. 48,756, 48,760 (Aug. 14, 2012). Those rules “identify confidential information in a manner consistent with Federal Rule of Civil Procedure 26(c)(1)(G), which provides for protective orders for trade secret or other confidential research, development, or commercial information.” *Id.*

(citing 37 C.F.R. § 42.54).

Patent Owner Bradium has good cause to seal Exhibits 2022 and 2029 because both exhibits are confidential commercial information.

Exhibit 2022 is a confidential Project Report signed by Mr. Isaac Levanon, listed inventor for the '506 Patent. The report is stamped as COMMERCIAL-IN-CONFIDENCE at the top of each page. This Report contains comprehensive technical information, financial summaries, financial terms, and projected sales information.

Exhibit 2029 is a confidential License Agreement signed by Mr. Isaac Levanon. This agreement includes licensing and financial terms. The agreement imposes a confidentiality requirement. Exhibit 2029 at 7 (Section 11). DENSO Corporation has requested that Patent Owner Bradium maintain Exhibit 2029 as confidential pursuant to a protective order.

Further, in accordance with the protective order (Paper 14) § 4(A)(ii), the non-confidential version of the Patent Owner's Response and of the Declaration of Mr. Isaac Levanon (Exhibit 2004) is concurrently being filed by Patent Owner with confidential information redacted.

## **II. CONCLUSION**

For the foregoing reasons, Exhibits 2022 and 2029, Patent Owner respectfully requests that the Board seal Exhibits 2022 and 2029 and the portions

of Patent Owner's Response, and the Declaration of Mr. Isaac Levanon (Exhibit 2004) that contain material derived from Exhibits 2022 and 2029.

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
