Re: ***Chrimar Systems, Inc. v. Dell Inc., Civil Action No. 6:15-CV-00639-JRG-JDL***  
**U.S. District Court for the Eastern District of Texas**

Dear Counsel:

I am writing in regards to the Amended Initial Disclosures served by Chrimar on December 31, 2015.

In its Amended Initial Disclosures, Chrimar identified license and/or settlement agreements relevant to the subject matter of this action, including agreements with Microsemi Corporation, D-Link Systems, Startech.com, and Cisco Systems, Inc. In light of the license and/or settlement agreements with those entities, we request that Chrimar confirm in writing that any products supplied to Dell by Microsemi Corporation, D-Link Systems, Startech.com, Cisco Systems, Inc., and the affiliates and subsidiaries of those companies (including Linksys), are no longer Accused Products in this case.

Very truly yours,

Bert Greene
