Dear Ms. Lee:

This will serve to confirm that the information in OCLC Online Computer Library Center, Inc.'s information systems indicates that the publications listed below were indexed by WorldCat on the dates indicated in their respective First Search records.

- "Windows CE Developer's Handbook" by Terence A. Goggin (ISBN 0-7821-2414-3) on February 19, 1999;
- "Essential Windows CE Application Programming" by Robert Burdick (ISBN 0-471-32747-6) on December 7, 1998; and
- "Programming Microsoft Windows CE" by Douglas Boling (ISBN 1-57231-856-2) on August 10, 1998.

Very truly yours,

A handwritten signature in black ink, appearing to read "David Valentine-Elam".

David Valentine-Elam
Senior Attorney
