Case No. IPR2016-00726

**PETITIONERS' UPDATED MANDATORY NOTICES (37 C.F.R. § 42.8)**

MAIL STOP PATENT BOARD  
Patent Trial and Appeal Board  
United States Patent and Trademark Office  
Post Office Box 1450  
Alexandria, Virginia 22313-1450  
*Submitted Electronically via the Patent Review Processing System*

Pursuant to 37 C.F.R. § 4.28(a)(3), the Petitioners submit the following updated mandatory notice, which supplements the notices of related matters that Petitioners have filed previously:

**Notice of Related Matters (37 C.F.R. § 42.8(b)(2))**

Petitioners have challenged other patents that applicants called “related” in the first paragraph of the specification of the involved patent. Between March 11 and 12, 2016 Petitioners filed petitions for *inter partes* review having case numbers IPR2016-00724, -726, and -727. Each of the petitions in these cases referenced one another in the “Related Matters” section respectively, as well as referencing case number IPR2016-00725. Due to a technical problem with the IPR2016-00725 filing the petition and exhibits were not filed under that trial number. Instead, the materials that were to be filed in the -725 proceeding were filed in case number IPR2016-00747. All other mandatory notices provided in the Petition, including the additional related matters, remain unchanged.
