## Ninth New Collegiate Dictionary

a Merriam-Webster

MERRIAM-WEBSTER INC., *Publishers* Springfield, Massachusetts, U.S.A.

## A GENUINE MERRIAM-WEBSTER

The name Webster alone is no guarantee of excellence. It is used by a number of publishers and may serve mainly to mislead an unwary buyer.

A Merriam-Webster® is the registered trademark you should look for when you consider the purchase of dictionaries or other fine reference books. It carries the reputation of a company that has been publishing since 1831 and is your assurance of quality and authority.
