1 (Witness sworn.)

2 PAUL S. MIN, Ph.D.,
3 called as a witness herein, having been first duly
4 sworn, was examined and testified as follows:

5 EXAMINATION

6 BY MR. SCHULTZ:

7 Q Good morning, Dr. Min.

8 A **Good morning.**

9 Q I'm Ryan Schultz on behalf of the patent
10 owner, Evolved Wireless, LLC.

11 Just before we get started, I have a
12 few ground rules to go over so we make sure we're all
13 on the same page going forward so we can have a
14 smooth, efficient, and hopefully relatively quick
15 deposition.

16 You've been deposed before, correct?

17 A **Yes.**

18 Q Okay. So I'm not going to go over all
19 particular ground rules. I'm going to assume that
20 you kind of understand the process for it.

21 But a few that I do want to highlight
22 is, one, if you answer my question, I'm going to
23 assume that you understood the question. Okay?

24 A **Okay.**

1 Q But to the extent that I, from time to
2 time, don't ask the most clear question, if there's
3 some clarity that you need to answer the question,
4 please feel free to ask that clarity and I will
5 attempt to clarify the question as best I can for
6 you. Okay?

7 **A Yes.**

8 Q All right. As you can see, the court
9 reporter here is working to write down all the words
10 that we discuss at this deposition today, but it's
11 going to be important that we don't talk over each
12 other so we can get a clean record of the discussion
13 that we have here today.

14 So on that end, I will try to wait
15 until you are done answering my question. And I
16 would just ask that you wait until I'm done asking
17 the question to start answering.

18 Is that okay?

19 **A I'll do my best.**

20 Q Yeah. I'm sure we'll have to remind each
21 other from time to time, it happens, but I just want
22 to have that out there to start.

23 Is there any reason that you cannot
24 testify truthfully today?

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
