Patent 8,090,309

AFFIDAVIT OF BEVERLY J. DEFEO

I, Beverly J. DeFeo, hereby state as follows:

1. I am a resident of Allen, Texas. I am a Senior Paralegal with the law firm of Caldwell Cassady Curry P.C., 2101 Cedar Springs Road, Suite 1000, Dallas, Texas 75201.

2. I am familiar with the Patent Trial and Appeal Board End to End electronic filing system (“PTAB E2E”) and have electronically filed legal documents with the Board in this matter.

3. On November 23, 2016 at approximately 7:45 p.m. Central time, I logged into the PTAB E2E filing system and began uploading and submitting for filing Patent Owner’s Response and accompanying declaration and exhibits. I did not receive or observe any indication that the PTAB E2E system was not functioning correctly during the upload and submission process. Upon each upload and submission, the PTAB E2E system indicated the upload and submission process was successful by the appearance in the upper right hand corner of my computer screen a green box with an associated check mark. This green box and associated check mark indicated that each document was uploaded and successfully submitted for electronic filing.

4. After completing the electronic filing process, I served copies of Patent Owner’s Response and accompanying declaration and exhibits upon all counsel of record via electronic mail at approximately 8:13 p.m. Central time.

5. Aside from this Affidavit and a new Certificate of Service reflecting

this transmission today, the documents filed in this matter on December 8, 2016 are a true and correct copy of the documents which I originally filed on November 23, 2016.

I declare that all statements made in this Affidavit are true and correct.
