**PETITIONERS' REQUEST FOR ORAL HEARING**

The Board has scheduled oral hearing for this IPR proceeding (IPR2016-00820) and another pending IPR proceeding between Petitioners and Patent Owner (IPR2016-00822) for June 1, 2017. Paper 19 at 3. Pursuant to 37 C.F.R. § 42.70(a), Petitioners request oral hearing on the instituted grounds of unpatentability in each of the proceedings and all other pending issues presented in the pleadings (e.g., Motions to Exclude). Given that both the proceedings involve the same patent and the issues and prior art references for the two proceedings overlap, Petitioners request a *total* of one hour of consolidated argument time for Petitioners, without restricting Petitioners to a particular schedule for the issues in each proceeding.

Petitioners requests that, in addition to lead and back-up counsel (five individuals), five additional spaces be reserved at the oral hearings to accommodate Petitioners' corporate representatives and counsel.

Petitioners also request the ability to use audio visual equipment to display demonstratives and exhibits, including the use of a computer, projector, and screen. Petitioners additionally request that two attorneys at Petitioners' counsel's table be allowed to use computers at the hearing (in addition to the counsel making the argument using his or her computer to show the demonstratives), to avoid the need for the parties to bring entire paper copies of the record into the hearing room and to facilitate efficient answering of panel questions.
