Petitioner

v.

UUSI, LLC d/b/a NARTRON  
Patent Owner

---

Case IPR2016-00908  
Patent No. 5,796,183

---

**EXHIBIT 2000**  
**DECLARATION OF TERESA M. SUMMERS IN SUPPORT OF**  
**PATENT OWNER'S MOTION FOR *PRO HAC VICE* ADMISION**

I, Teresa M. Summers, declare as follows:

1. My name is Teresa M. Summers, and my professional address is DiMuro Ginsberg PC-DGKeyIP Group, 1101 King Street, Ste. 610, Alexandria, VA 22314. I am over the age of 18, and I make this declaration in support of the patent owner's motion for my *pro hac vice* admission based on my personal knowledge.

2. I am an attorney licensed and admitted to practice in the Commonwealth of Virginia and the District of Columbia, where I have been admitted since 2003 and 2004, respectively. I am a member in good standing of both the Virginia Bar and the Bar of the District of Columbia.

3. I practice in the field of intellectual property, including patent litigation, and have done so for over thirteen (13) years.

4. I am admitted to practice before the Courts of Appeal for the D.C., Ninth and Federal Circuits, the Court of International Trade, and all state courts in Virginia. I have also been admitted to practice and have appeared *pro hac vice* before, among others, the United States District Courts for the District of Connecticut, the District of Hawaii, and the Northern District of California.

5. I have also appeared before the United States International Trade Commission, and practice regarding trademark matters before the Trademark Trial and Appeal Board.

6. I clerked at the Court of Appeals for the Federal Circuit and am a member of the Federal Circuit Bar Association.

7. I have extensive experience in litigating patent infringement matters. I have been litigating patent infringement cases since my admission to the bar in 2003. I have been lead counsel in such cases, including a recent case in the Northern District of California, and have appeared before the Court of Appeals for the Federal Circuit several times regarding appeals in patent infringement cases.

8. I have never been suspended, disbarred, sanctioned or cited for contempt by any court or administrative body.

9. I have never had a court or administrative body deny my application for admission to practice.

10. I agree to read and to be subject to the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in part 42 of 37 C.F.R.

11. I agree to be subject to the United States Patent and Trademark Office's Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 *et. seq.* and submit to disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

12. I have not applied to appear *pro hac vice* before the Office in any other proceeding in the last three (3) years.

13. I am familiar with the subject matter at issue in this proceeding. I represent UUSI in an intellectual property dispute pending at the Court of Federal Claims, *UUSI, LLC, et. al. v. The United States, et. al.*, Case No. 12-216 C, Ct. Fed. Cl. (“*UUSI v. US*”). While the asserted patents at issue in *UUSI v. US* do not include U.S. Pat. No. 5,796,183 (the “’183 Patent”), in my role as UUSI’s counsel and during the course of litigating on behalf of UUSI, I have become familiar with UUSI’s technological innovations and patent portfolio, including the ’183 Patent. I have analyzed and studied this patent. Further, I am familiar with touchscreen technology, including capacitive touch sensors. I litigated patent infringement issues involving touch sensors on behalf of other clients. For example, I was part a team that represented Immersion Corporation, a developer of touch feedback technology, in patent litigation involving touchscreen products. I have reviewed and am familiar with the ’183 Patent, its prosecution history, the prior art and other arguments concerning the validity of the patent made by petitioner.

14. I do not have access to information produced by petitioner or any other party (other than UUSI) in the district court action and designated as confidential.

15. On information and belief, Jay P. Kesan, UUSI’s lead counsel, is a registered practitioner and his registration number is 37,488.

16. I declare, under penalty of perjury pursuant to 28 U.S.C. § 1746, that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true.

Respectfully submitted,

Dated: May 6, 2016

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
