Dear Sir or Madam:

Hello; I represent Patent Owner UUSI, LLC d/b/a Nartron (“Nartron”) in pending IPR2016-00908. This case is currently on appeal at the Federal Circuit in CAFC Case No. 21-1060. However, on August 3, 2021, the Federal Circuit remanded the case “for the limited purpose of allowing appellant [Nartron] the opportunity to request Director rehearing of the final written decision,” in view of the *Arthrex* decision. CAFC Case No. 21-1060, Paper 36. The Federal Circuit directed Nartron to file any Request for Director Rehearing “within 30 days from the date of this order.” *Id.*

Today, Nartron filed a Request for Director Rehearing of the Final Written Decision (Paper 53) on PTAB E2E. A copy of the Request for Director Rehearing is also attached to this email. The Request is timely because it was filed within the 30-day period set by the Federal Circuit. Nartron respectfully requests consideration of its Request for Director Rehearing, and asks that—for the reasons stated in the Request—the Final Written Decision be reheard by the Director.

Respectfully submitted,

Stephen Underwood
