Case IPR2016-00952  
Patent No. 9,121,412

---

**PATENT OWNER'S REQUEST FOR ORAL HEARING**

The Board has tentatively scheduled oral hearing in this proceeding for July 24, 2017. Paper 10. Pursuant to 37 C.F.R. § 42.70(a), Patent Owner requests oral hearing on the instituted grounds of unpatentability in this proceeding, including that claims 1, 2, 4, 5, 7, and 8 are allegedly anticipated by Davies (Ground 1), claims 1, 2, 4, 5, 7, 8, and 11 are allegedly obvious over Davies (Ground 2), and claim 5 is allegedly obvious over Davies and Middleton (Ground 3). Patent Owner further requests oral hearing on any issues raised by Petitioner in its Request for Oral Hearing, but Patent Owner objects to Petitioner raising or arguing any issue or presenting any argument for unpatentability that was not both presented in the Petition and on which the Board instituted this IPR proceeding.

Patent Owner requests thirty minutes of time to address these issues. To the extent the Board schedules the hearing to last more than sixty minutes, however, Patent Owner requests that it be given half the length of the hearing to address these issues.

Patent Owner requests that ten spaces be reserved at the oral hearing to accommodate its counsel and corporate representatives. Patent Owner also requests that four attorneys at Patent Owner's counsel's table be allowed to use computers.

Respectfully submitted,

Dated: June 19, 2017
