CIVIL ACTION NO. 6:15-CV-458

MEMORANDUM AND ORDER

Before the Court is Defendant Talari Networks, Inc.’s Motion to Transfer (Docket No. 12), requesting this Court to transfer the above-styled action to the Western Division of the Eastern District of North Carolina. After careful consideration of the parties’ arguments and their written submissions, the Court **GRANTS** the Motion.

Upon considering each of the applicable public and private factors related to a transfer pursuant to 28 U.S.C. § 1404(a), the Court finds that, in this specific case, the majority of such factors weigh in favor of transfer. The parties’ ties to Utah, California and especially North Carolina outweigh the ties the parties have to this district. Importantly, there is no judicial economy concern. Consequently, the Western Division of the Eastern District of North Carolina is clearly more convenient than the Eastern District of Texas.

Accordingly, this case is **ORDERED** transferred to the Western Division of the Eastern District of North Carolina. Given the rapidly approaching deadlines under this Court’s current docket control order, the clerk is directed to transfer this action forthwith, and the deadlines

before this Court are stayed until the case is received and reassigned by the clerk of the Western Division of the Eastern District of North Carolina.

So ORDERED and SIGNED this 1st day of February, 2016.

ROBERT W. SCHROEDER III
UNITED STATES DISTRICT JUDGE
