I. INTRODUCTION

1. I have been retained as a technical expert by counsel on behalf of RPX Corporation, to opine on U.S. Patent Nos. 8,135,342 and 8,879,987 ("'342 patent" and "'987 patent," respectively) and related technologies, in association with proceedings before the United States Patent and Trademark Office ("USPTO").

2. I reserve the right to modify or supplement my opinions, as well as the basis for my opinions, based on the nature and content of the documentation, data, proof and other evidence or testimony that Sockeye Licensing TX LLC or Wildcat Licensing LLC or its experts may present, or based on any additional information provided to me or found by me in this matter.

A. Educational and Professional Background

3. I graduated with BSEE and MSEE degrees from Stanford University in 1979.

4. From 1988 to 1993, I was vice president of engineering and technology at Traveling Software (later renamed LapLink), at which projects included LapLink, LapLink Wireless, and connectivity solutions for a wide variety of mobile platforms. During this period, I was responsible for evaluating wireless technologies for use with the LapLink file transfer and synchronization product family. I also managed the development of a short-range wireless modem called
