ORDER
Conduct of Proceedings
37 C.F.R. § 42.5

¹ Because this Order addresses an issue applicable to these two cases, we exercise our discretion to issue one Order to be filed in each case. The parties may not use this style heading unless authorized.

IPR2016-00055 (Patent 8,648,717 B2)

IPR2016-01081 (Patent 8,648,717 B2)

On July 26, 2016, a conference call was held with the Board and the parties to discuss Patent Owner's counsel's request for authorization to withdraw as counsel from these proceedings. Mr. Jeffrey Costakos, Patent Owner's counsel, stated that all current counsel for Patent Owner in these proceedings seek permission to withdraw but that Patent Owner has not yet obtained new counsel.

Because Patent Owner has not obtained new counsel, we do not grant Patent Owner's counsel authorization to file motions to withdraw at this time. When Patent Owner secures new counsel for representation in these proceedings, Patent Owner's current counsel is advised to contact the Board to seek authorization to withdraw as counsel. *See* 37 C.F.R. §§ 42.20(b), 42.10(e).

It is so ORDERED.
