

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

MYLAN PHARMACEUTICALS INC.,
Petitioner

v.

ALLERGAN, INC.,
Patent Owner

Case IPR2016-01132
Patent 9,248,191

DECLARATION OF ERIC RUBINSON

I, Eric Rubinson, declare and certify as follows:

1. I am Executive Director, DDO Business Operations at Allergan, Inc. (“Allergan”).
2. I make this declaration based on my personal knowledge.
3. I have been employed with Allergan for 11 years.
4. Attached hereto as Exhibit A is an Interoffice Memorandum dated October 29, 1998 titled “Pharmacokinetics and Drug Metabolism Report PK-98-074.”
5. Exhibit A is a true and accurate copy of the original document.
6. I have personal knowledge of Allergan’s regularly conducted business practices and activities for creating, recording, maintaining, and storing information and documents. The regular practice of Allergan when creating a record of an act, event, condition, or information is for an employee or representative of Allergan with knowledge of the respective act, event, condition, or information to make the record or to transmit the information to be included in the record at or near the time of the act, event, condition, or information gathering or reasonably soon thereafter.
7. The document attached as Exhibit A is a copy of an original document that was created and kept by Allergan in the course of its regularly conducted business practices and activities.

I declare under penalty of perjury under the laws of the United States of America that the foregoing declaration is true and correct.

Executed on: March 17, 2017

17-MARCH-2017

Eric Rubinson
Executive Director, DDO Business Operations
Allergan, Inc.
Harborside Financial Center, Plaza V
Jersey City, NJ 07311

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
