Richard,

After you file your brief we can confer about what, if anything, needs to remain under seal.

Best,

Chris,

We have not identified any Mylan-confidential information in the order. Similarly, we have not identified Mylan-confidential information in the last-filed transcript (Ex. 1143) so you can advise the Board we have no objection to making it public as well.

Since much of the underlying agreements has already been made public (for example, through references in the Tribe's motion), it would be helpful if you could provide us with a highlighted version of Exhibits 2086 and 2087 indicating which material remains confidential. Doing so will facilitate briefing and possibly spare us both the need to decide whether future papers must be filed in confidence.

Regards,  
Rick

Richard,

We do not believe this order needs to be sealed. Please let me know what your position is so we can jointly inform the Board.

Best,

Chris Evans
