

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

SAMSUNG ELECTRONICS AMERICA, INC. and
SAMSUNG ELECTRONICS CO. LTD.,
Petitioner,

v.

FASTVDO LLC,
Patent Owner.

Case IPR2016-01179
Patent 5,850,482

Before KARL EASTHOM, JEFFREY S. SMITH, and PATRICK M. BOUCHER,
Administrative Patent Judges.

SMITH, *Administrative Patent Judge.*

ORDER
Conduct of the Proceeding
37 C.F.R. § 42.5(a)

On July 10, 2017, a conference call was held between counsel for the parties and Judges Easthom, Boucher, and Smith. Patent Owner provided a court reporter and stated that it will file the transcript in due course.

Patent Owner initiated the conference call to request leave to file a motion to strike new evidence and new arguments raised in Petitioner's Reply (Paper 24). Petitioner opposed asserting that (1) Petitioner did not make new arguments or present new evidence, and (2) if Petitioner did make new arguments or present new evidence, Petitioner did so to address Patent Owner's arguments made in Patent Owner's Response (Paper 22).

The Board denied Patent Owner's request to file a motion to strike. The Board authorizes Patent Owner to raise this issue at the Oral Hearing.

Accordingly, it is

ORDERED that the request to file a motion to strike is *denied*.
