IPR2016-01203  
Patent 5,850,482

The parties for these *inter partes* reviews have filed requests for oral argument. *See, e.g.*, IPR2016-01179, Papers 26, 27; IPR2016-01203, Papers 31, 32. Oral argument is granted in each proceeding. The date for oral argument is Thursday, August 24, 2017. There will be back-to-back hearings for these *inter partes* reviews. The first hearing will be for IPR2016-01179 and will commence at 10:00 AM Eastern Time. The second hearing will be for IPR2016-01203 and will commence immediately after the first hearing concludes.

The hearings will be open to the public for in-person attendance, on the ninth floor of Madison Building East, 600 Dulany Street, Alexandria, Virginia. Space in the hearing room is limited, and any attendees beyond three per party (including any attorneys who may be appearing) will be accommodated on a first-come, first-served basis. One or more judges of the panel may attend remotely.

For each proceeding, each party will have thirty (30) minutes of total time to present arguments. In each proceeding, Petitioner will proceed first, Patent Owner thereafter will respond, and Petitioner may rebut if it has time remaining.

The Board will provide a court reporter for the hearings, and the reporter's transcript will constitute the official record of the hearings.

At least seven (7) business days prior to the hearing, each party shall serve on the other party (and not file) any demonstrative it intends to use during the hearing. *See* 37 C.F.R. § 42.70(b). The parties should attempt to resolve any objections to demonstratives prior to involving the Board. If any objections remain, a party may raise them during the hearing as part of its

allotted argument time. At least one (1) business day prior to the hearing, the parties shall provide the demonstratives to the Board by emailing them in portable document format (.pdf) to [Trials@uspto.gov](mailto:Trials@uspto.gov). The parties are directed to *St. Jude Medical, Cardiology Division, Inc. v. The Board of Regents of the University of Michigan*, No. IPR2013-00041 (PTAB Jan. 27, 2014) (Paper 65) for guidance regarding appropriate content of demonstratives.

The Board expects lead counsel for each party to be present at hearing, although any backup counsel may make the actual presentation, in whole or in part. If any lead counsel will not be in attendance at the hearing, the Board should be notified via a joint telephone conference call no later than two days prior to the hearing to discuss the matter.

Any special requests for audio visual equipment should be directed to [Trials@uspto.gov](mailto:Trials@uspto.gov).
