v.

LEGO A/S,
Patent Owner.

Case IPR2016-01187
Patent 8,894,066 B2

NEIL T. POWELL, *Administrative Patent Judge.*

ORDER

Conduct of the Proceeding

37 C.F.R. § 42.5

IPR2016-01187
Patent 8,894,066 B2

On February 15, a conference call was held with the parties. In the call, Patent Owner requested authorization to file a motion to vacate the institution decision and terminate this proceeding. As the basis for its proposed motion, Patent Owner indicated Petitioner has not identified all real parties-in-interest. Also during the call, Petitioner requested authorization to file a motion requesting leave to list additional entities as real parties-in-interest.

Having considered the requests, both parties' requested motions are authorized. Each party's motion is due by Friday, March 3, 2017. Each party is authorized to file by Friday, March 10, 2017 an opposition to the other party's motion.

It is therefore

ORDERED that Patent Owner is authorized to file by March 3, 2017 a motion to vacate the institution decision and terminate this proceeding;

FURTHER ORDERED that Petitioner is authorized to file by March 10, 2017 an opposition to Patent Owner's motion;

FURTHER ORDERED that Petitioner is authorized to file by March 3, 2017 a motion to list additional parties as real parties-in-interest; and

FURTHER ORDERED Patent Owner is authorized to file by March 10, 2017 an opposition to Petitioner's motion.
