Re: Petition for *Inter Partes* Review of U.S. Patent No. 8,894,066

Dear Elizabeth:

On June 10, 2016, we served on you our client's *Petition for Inter Partes Review of United States Patent No. 8,894,066 Pursuant to 35 U.S.C. §§ 311-319, 37 C.F.R. § 42* (the "Petition"). We recently noticed in the Petition that there is a clerical error that we need to correct pursuant to 37 C.F.R. § 104(c). When listing the real parties-in-interest, we did not include Smallworks, LLC. This was a clerical error. Smallworks, LLC was identified as a defendant in the lawsuit in the next section.

Before we contact the Board on this matter, I would like to know whether you will oppose our motion to correct this clerical error. At this point, there is no prejudice to your client due to the clerical error, your client obviously knows about Smallworks, LLC and its interest in the case, and we identified Smallworks, LLC as a defendant in the lawsuit in the Petition.

Please let me know by Wednesday, June 29, 2016, if your client will oppose our motion under 37 C.F.R. § 104(c). If you need more time to consider this request, then please let me know. Also, if you would like to discuss this matter by phone, please let me know and we will schedule a time to discuss this matter.

Sincerely,

Ryan T. Beard
