IPR2016-01203
Patent 5,850,482

Before KARL EASTHOM, JEFFREY S. SMITH, and PATRICK M. BOUCHER,
Administrative Patent Judges.

SMITH, *Administrative Patent Judge.*

ORDER

On July 14, 2017, a conference call was held between counsel for the parties and Judges Easthom, Boucher, and Smith. Patent Owner provided a court reporter and stated that it will file the transcript in due course.

Patent Owner initiated the conference call to address what it contends are new evidence and new arguments raised in Petitioner's Reply (Paper 30). Petitioner opposed, asserting that Petitioner did not make new arguments or present new evidence in the Reply.

The Board denied Patent Owner authorization to file a motion to strike. The Board authorizes Patent Owner to raise this issue at the Oral Hearing.

Accordingly, it is

ORDERED that authorization to file a motion to strike is *denied*.
