Subject: IPR2016-01243: Oral Hearing Notice

Dear Trial Board:

Patent Owner Legend3D, Inc. recently made a good faith effort to resolve the dispute with Petitioner Prime Focus Creative Services Canada Inc. surrounding the '793 patent that is the subject of IPR2016-01243. Unable to resolve the dispute, and in the interest of preserving resources, Legend3D, Inc. has decided to rest on its papers in IPR2016-01243 and save the

expense of participating in the oral hearing currently scheduled for September 14, 2017.

Accordingly, by this email Legend3D, Inc. hereby notifies the Board that it will no longer need the 60 minutes the board allocated to Legend3D Inc. for the hearing of September 14, 2017. Although Legend3D, Inc. will not be in attendance, it thanks the Board for offering it the opportunity to be heard.

Please feel free to reach out to either myself or Daniel Yannuzzi with any questions or concerns.

Thank you,

Trevor J. Quist
