### IN THE UNITED STATES PATENT AND TRADEMARK OFFICE BEFORE THE PATENT TRIAL AND APPEAL BOARD In the *Inter Partes Review* (IPR) of U.S. Patent Nos. 8,822,438

#### **DECLARATION OF DR. SCOTT R. SERELS, M.D.**

I, Scott R. Serels, M.D., do hereby declare:

1. I am making this declaration at the request of Amerigen Pharmaceuticals, Ltd., in the matter of the *Inter Partes Review (IPR)* of U.S. Patent No. 8,822,438 (the "'438 Patent"), as set forth in the above caption.

2. I am being compensated for my work in this matter at the rate of \$500.00 per hour. My compensation in no way depends on the outcome of this proceeding. The opinions I set forth herein are my own, and are based on the education, experience, training and skill that I have accumulated in the course of my career as a practicing urologist and researcher, as well as the materials I have reviewed in connection with this case.

#### A. Education and Professional Background

3. I currently practice medicine at the Bladder Control Center of Norwalk, where I am the director of daily operations involving urodynamics, female urology and neurourology. I was board certified in urology in 2001, and American Board of Urology recertified in 2009. I became board certified in female pelvic medicine and reconstructive surgery in 2013. 4. I received my bachelor of arts degrees in biology and economics *magna cum laude* from Brandeis University in 1988. I received my medical degree from New York University School of Medicine in 1992. I then completed two years of surgical residency, and four years of urologic residency at the Albert Einstein College of Medicine and Montefiore Medical Center. During my urologic residency, I completed rotations in urologic oncology and female urology at Memorial Sloan Kettering and UCLA, respectively. I then went to the Cleveland Clinic Foundation to serve as a clinical associate specializing in female urology, urodynamics and neurourology.

5. I am Associate Professor of Urology at the University of Vermont School of Medicine and a clinical faculty member at the Frank H. Netter School of Medicine at Quinnipiac University, where I also serve as a member of the faculty counsel. I am also the Urogynecology Section Head at Norwalk Hospital in Norwalk, Connecticut. I have authored approximately 100 peer reviewed publications, presentations and abstracts in the fields of urology and urogynecology.

6. Attached as Exhibit 1 is my curriculum vitae providing the details of my education, experience and training in medicine, including in the field of urology.

## B. Materials Considered

7. The list of materials I considered in forming the opinions set forth in this declaration includes the following:

Exhibit	Description
AMG 1001	U.S. Patent No. 8,822,438 to Auerbach and Belldegrum, "Methods
	and Compositions for Treating Cancer" ("the '438 patent")
AMG 1003	O'Donnell, A. <i>et al.</i> , "Hormonal impact of the $17\alpha$ -hydroxylase/C <sub>17</sub> .
	20-lyase inhibitor abiraterone acetate (CB7630) in patients with
	prostate cancer," British Journal of Cancer, (90):2317-2325 (2004)
	("O'Donnell")

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## **Real-Time Litigation Alerts**

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## **Advanced Docket Research**

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## **Analytics At Your Fingertips**

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

#### LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

#### FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

#### E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
