UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

GLOBAL TEL*LINK CORPORATION,
Petitioner,
v.
SECURUS TECHNOLOGIES, INC.,
Patent Owner.

Case IPR2016-01362
U.S. Patent No. 9,083,850

***PRO HAC VICE MOTION TO ADMIT ATTORNEY
DANIEL F. OLEJKO PURSUANT TO 37 C.F.R. § 42.10(c)***

EXHIBIT 2008: DECLARATION OF DANIEL F. OLEJKO

Mail Stop PATENT BOARD
Patent Trial and Appeal Board
U.S. Patent & Trademark Office
P.O. Box 1450
Alexandria, Virginia 22313-1450

I, Daniel F. Olejko, make the following declaration based on my own personal knowledge and, if called to testify before the Board, could and would testify as follows:

- I am a shareholder of the law firm Bragalone Conroy PC, located at Chase Tower, 2200 Ross Avenue, Suite 4500W, Dallas, Texas 75201.
- I am a member in good standing of the Pennsylvania State Bar.
- I have never been subject to any suspensions or disbarments from practice before any court or administrative body.
- None of my applications for admission to practice before any court or administrative body has ever been denied.
- I have never been sanctioned nor had contempt citations imposed by any court or administrative body.
- I have read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in 37 C.F.R. pt. 42.
- I will be subject to the USPTO Rules of Professional Conduct set forth in 37 C.F.R. § 11.101, *et seq.*, and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

- This is my third application to appear *pro hac vice* in a proceeding before the Board. My applications in Case Nos. IPR2016-01123 and IPR20160-01220 were granted.
- I have familiarity with the subject matter at issue in this proceeding. I currently represent Securus Technologies, Inc. in a number of pending appeals before the U.S. Court of Appeals for the Federal Circuit, which are all appeals from final written decisions in *inter partes* review proceedings before the Board. *See, e.g., Securus Techs., Inc. v. Global Tel*Link Corp.*, Nos. 2016-1992, -1993 (Fed. Cir. docketed May 4, 2016) (appealing from IPR2014-01278 and IPR2014-01282, involving U.S. Patent No. 7,860,222); *Global Tel*Link Corp. v. Securus Techs., Inc.*, No. 16-2573 (Fed. Cir. docketed May 26, 2016) (appealing from IPR2015-00156, involving U.S. Patent No. 7,551,732); *Securus Techs., Inc. v. Global Tel*Link Corp.*, No. 16-2573 (Fed. Cir. docketed Aug. 29, 2016) (appealing from IPR2015-00155, involving U.S. Patent No. 7,853,243). As counsel for Securus, I have become very familiar with patents that cover technology that is similar to the technology at issue in this proceeding (e.g., prison telephone systems). Further, I spent significant time assisting in the development of arguments in support of the Patent Owner's Response

Case IPR2016-01362
Patent 9,083,850

and Preliminary Response in this matter, as well as considerable time preparing and reviewing the filings themselves.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 12th day of May, 2017.

Daniel F. Olejko
