Subject: Par v. Novartis, IPR2016-01479

Dear Respected Board,

On September 5, 2017, Novartis filed a sur-reply to identify and respond to allegedly new arguments in Par's reply brief.

Par writes now to seek permission to file a one-page table it has prepared identifying where these allegedly new arguments appear in the Petition and/or the arguments in Novartis's response to which they respond. This table contains citations and no argument.

Par has conferred with Novartis and Novartis has indicated that it will oppose such a request. If the Board feels a teleconference would be helpful to discuss this request, Par and Novartis are available in the afternoon of Monday, September 18 or any time Tuesday, September 19.

Respectfully,
Brenda Danek
Counsel for Petitioner Par Pharmaceutical, Inc.
