ALERE EX. 1014

1. I, Lana S. Shiferman, am more than twenty-one years of age, am competent to present this affidavit, and have personal knowledge of the facts set forth herein.

2. This affidavit is given in support of Petitioner's Motion for *Pro Hac Vice* Admission of Lana S. Shiferman.

3. I am a partner with the law firm Goodwin Procter LLP.

4. I have an established familiarity with the subject matter at issue in this proceeding. I have represented and continue to represent petitioner Alere Inc. and its subsidiaries Alere Toxicology Services, Inc., America Biotech, Inc., Ameditech, Inc., Innovacon, Inc., Instant Technologies, Inc., Instant Tech Subsidiary Acquisition Inc. d/b/a US Diagnostics, and Branan Medical Corp. in co-pending litigation in the Southern District of California, captioned *Rembrandt Diagnostics, LP v. Alere Inc., et al.*, No. 3:16-cv-698-CAB-NLS ("the district court litigation") since shortly after it was filed on March 23, 2016. Among other things, the district court litigation asserts infringement of the same patent at issue here, U.S. Patent No. 8,623,291. The parties have exchanged infringement and invalidity contentions, as well as preliminary claim constructions relating to the '291 patent.

5. I have reviewed and analyzed the patent at issue in this proceeding, the Petition and accompanying exhibits filed in this proceeding, and all other

papers associated with this proceeding. Moreover, in the district court litigation, I developed invalidity, non-infringement, and claim construction positions concerning the patent at issue here.

6. I am an experienced litigation attorney. I have been litigating patent cases for over fifteen years. I have been practicing law since 1999 and have extensive experience litigating patent infringement cases in many different courts across the United States.

7. My experience in patent litigation matters includes patent jury trials, including presentation of non-expert and expert-testimony, arguing *Markman* hearings, patent summary judgment proceedings, and other patent-related hearings and preparation of pleadings concerning, *inter alia*, patent validity and infringement issues. I have also represented clients in appeals before the Court of Appeals for the Federal Circuit.

8. I have represented petitioner Alere Inc. and/or its affiliates in many patent litigation matters since 2003, including:
