Case IPR2016-01517  
Patent 7,134,505 B2

---

NEIL T. POWELL, *Administrative Patent Judge.*

DECISION  
Motions to Seal  
*37 C.F.R. §§ 42.14 and 42.54*

IPR2016-01517

Patent 7,134,505 B2

Patent Owner filed unopposed motions to seal various exhibits. Papers 20, 30 (“Motions to Seal”). With the Motions to Seal, Patent Owner filed a proposed protective order as Paper 31. Patent Owner’s Motions to Seal persuade us that the information that Patent Owner seeks to seal constitutes confidential information and that good cause exists for sealing the information that the parties request to be sealed. *See* 37 C.F.R. § 42.54. Additionally, we determine that the parties’ proposed protective order is acceptable.

It is therefore

ORDERED that Patent Owner’s Motions to Seal are *granted*; and  
FURTHER ORDERED that the proposed protective order filed as Paper 31 is entered in this proceeding.
