v.

**PACKERS PLUS ENERGY
SERVICES, INC.**

I, Roberto Pellegrino, declare as follows:

1. I am over the age of 18, have never been convicted of a felony or crime of moral turpitude and am legally competent to make this declaration. I have personal knowledge of the matter stated herein.
2. I am currently employed in the Interlibrary Loans department at the Alberta Innovates – Technology Futures Library.
3. I am familiar with the ordinary record-keeping practices of the Alberta Innovates – Technology Futures Library.

4. When a book is donated to the library, the date on which it is received is inscribed or recorded on the book within a couple of days of its receipt. On the same day or as soon as possible thereafter, typically no later than a few days after the date is inscribed, the book is shelved for public access.

5. Accordingly, the date inscribed on the proceedings of the Seventh One Day Conference on Horizontal Well Technology, November 3, 1999, which contains the reference article *Production Control of Horizontal Wells in a Carbonate Reef Structure* by Bill Ellsworth et al., reflects that the book was donated to the library on or about July 23, 2001.

6. I have no reason to believe that the book was not publicly available at other libraries or through the publisher soon after it was published in 1999.

7. I have reviewed the above-listed reference in Exhibit A to this Affidavit, and it reflects a true and accurate copy of the corresponding reference maintained at the library.
